
Title: The Path of Singularity

Author: Dealthagar

The Path of Singularity
is derived from three
principles: Control, Passion
and Diligence.

These three pillars are
the wellspring from
with all true virtue
is borne of. it is
these eight truths
Singularity holds
true.

From Control comes
Direction.

From Passion
From control, comes
Feeling.
From Diligence comes
Persistence.

Control with Passion
brings Balance.

Passion with Diligence
brings Achievement.

Control with Diligence
brings Persistence.

Outside of the bounds of
Control, Passion and
Diligence is The 8
Virtues of
Singularity
bristle from
you
All of us here
can see them
You Order. Control,
Passion and Diligence merge to
form
Singularity.~~~~~

~~~~~The first six virtues  
are governed by the last  
two.~~~~~

~~~~~The Virtue of  
Direction
